13 R4600, alo implements and procure	make BIGI	12 Appliance required set of the procuremen make BIGII											
make BIGIP Appliance Local Traffic Manager R4600, along with required sub-components, implementation services and 1-year warranty, and procurement of eight nos. of Juniper SFP-10G-SR transceivers	nt of two nos. of OEM F5 Network's	rrocurement of two nos. of 28600 Hyperscale Appliances (OEM Checkpoint), along with required sub-components, implementation services and 3-year warranty Procurement of two nos. of OEM F5 Network's	Procurement of Structures LAN cabling Procurement of two nos. of 28600 Hyperscale Appliances (OEM Checkpoint), along with required sub-components, implementation services and 3-year warranty Procurement of two nos. of OEM F5 Network's	Point Leased Line links of 100 Mbps. Point Leased Line links of 100 Mbps. Procurement of Structures LAN cabling urement of two nos. of 28600 Hyperscale pliances (OEM Checkpoint), along with quired sub-components, implementation services and 3-year warranty urement of two nos. of OEM F5 Network's	Procurement of two nos. of Procurement of two nos. of Point-to-Point Leased Line links of 100 Mbps each. Purchase Order for Procurement of one Point-to-Point Leased Line links of 100 Mbps. Procurement of Structures LAN cabling Procurement of two nos. of 28600 Hyperscale Appliances (OEM Checkpoint), along with required sub-components, implementation services and 3-year warranty Procurement of two nos. of OEM F5 Network's	Procurement of three nos. of Point-to-Point Leased Line links of 100 Mbps Purchase Order for Procurement of two nos. of Point-to-Point Leased Line links of 100 Mbps each. Purchase Order for Procurement of one Point-to-Point Leased Line links of 100 Mbps urchase Order for Procurement of one Point-to-Point Leased Line links of 100 Mbps. Procurement of Structures LAN cabling Procurement of two nos. of 28600 Hyperscale Appliances (OEM Checkpoint), along with required sub-components, implementation services and 3-year warranty Procurement of two nos. of OEM F5 Network's	Online & Offline Ticketing Services of Passenger Ships for Lakshadweep Purchase Order for Procurement of three nos. of Point-to-Point Leased Line links of 100 Mbps each. Purchase Order for Procurement of two nos. of Point-to-Point Leased Line links of 100 Mbps each. Purchase Order for Procurement of one Point-to- Point Leased Line links of 100 Mbps each. Purchase Order for Procurement of one Point-to- Point Leased Line links of 100 Mbps. Procurement of Structures LAN cabling Procurement of two nos. of 28600 Hyperscale Appliances (OEM Checkpoint), along with required sub-components, implementation services and 3-year warranty Procurement of two nos. of OEM F5 Network's	Selection of Technical Service Provider for Online & Offline Ticketing Services of Passenger Ships for Lakshadweep trchase Order for Procurement of three nos. of oint-to-Point Leased Line links of 100 Mbps each. urchase Order for Procurement of two nos. of oint-to-Point Leased Line links of 100 Mbps each. rchase Order for Procurement of one Point-to-Point Leased Line links of 100 Mbps. Procurement of Structures LAN cabling rocurement of two nos. of 28600 Hyperscale Appliances (OEM Checkpoint), along with required sub-components, implementation services and 3-year warranty	for NGET System for NGET System of Technical Service Provider for & Offline Ticketing Services of senger Ships for Lakshadweep of the for Procurement of three nos. of oint Leased Line links of 100 Mbps each. Order for Procurement of two nos. of oint Leased Line links of 100 Mbps each. Order for Procurement of one Point-to-leased Line links of 100 Mbps. The for Procurement of one Point-to-leased Line links of 100 Mbps. Eased Line links of 100 Mbps. In the form one of 28600 Hyperscale less (OEM Checkpoint), along with sub-components, implementation process and 3-year warranty nt of two nos. of OEM F5 Network's	Procurement of ILL + DDoS Mitigation Services for NGeT System Selection of Technical Service Provider for Online & Offline Ticketing Services of Passenger Ships for Lakshadweep Purchase Order for Procurement of three nos. of Point-to-Point Leased Line links of 100 Mbps Purchase Order for Procurement of two nos. of Point-to-Point Leased Line links of 100 Mbps Purchase Order for Procurement of one Point-to-Point Leased Line links of 100 Mbps each. Purchase Order for Procurement of one Point-to-Point Leased Line links of 100 Mbps. Procurement of Structures LAN cabling Procurement of two nos. of 28600 Hyperscale Appliances (OEM Checkpoint), along with required sub-components, implementation services and 3-year warranty Procurement of two nos. of OEM F5 Network's	Desk Services for Next Generation E-Ticketing NGeT System NGeT System NGeT System Selection of Technical Service Provider for Online & Offline Ticketing Services of Passenger Ships for Lakshadweep urchase Order for Procurement of three nos. of Point-to-Point Leased Line links of 100 Mbps each. Purchase Order for Procurement of two nos. of Point-to-Point Leased Line links of 100 Mbps urchase Order for Procurement of two nos. of Point-to-Point Leased Line links of 100 Mbps Procurement of Structures LAN cabling Procurement of Structures LAN cabling Procurement of two nos. of 28600 Hyperscale Appliances (OEM Checkpoint), along with required sub-components, implementation services and 3-year warranty rocurement of two nos. of OEM F5 Network's	Procurement of ICT Infrastructure and Help esk Services for Next Generation E-Ticketing NGeT System NGeT System NGeT System NGeT System NGeT System NGeT System Selection of Technical Service Provider for Online & Offline Ticketing Services of Passenger Ships for Lakshadweep trchase Order for Procurement of three nos. of oint-to-Point Leased Line links of 100 Mbps each. urchase Order for Procurement of two nos. of oint-to-Point Leased Line links of 100 Mbps rocurement of two nos. of oint-to-Point Leased Line links of 100 Mbps rocurement of Structures LAN cabling rocurement of Structures LAN cabling rocurement of two nos. of 28600 Hyperscale Appliances (OEM Checkpoint), along with required sub-components, implementation services and 3-year warranty Decurement of two nos. of 28600 Hyperscale Appliances (OEM Checkpoint), along with required sub-components, implementation services and 3-year warranty	Annual Maintenance Contract (AMC) Services Annual Maintenance Contract (AMC) Services for HPE Hardware Procurement of ICT Infrastructure and Help Desk Services for Next Generation E-Ticketing NGeT System NGeT System NGeT System Selection of Technical Service Provider for Online & Offline Ticketing Services of Passenger Ships for Lakshadweep urchase Order for Procurement of three nos. of Point-to-Point Leased Line links of 100 Mbps each. Purchase Order for Procurement of one Point-to- Point Leased Line links of 100 Mbps each. Procurement of Structures LAN cabling Procurement of two nos. of 28600 Hyperscale Appliances (OEM Checkpoint), along with required sub-components, implementation services and 3-year warranty rocurement of two nos. of OEM F5 Network's
