'GCL can fill existing gaps in Chess ecosystem'

STATESMAN NEWS SERVICE
NEW DELHI, 29 MAY

Koneru Humpy, who is the youngest female chess player to become a Grandmaster. feels that Global Chess League (GCL) will definitely have a bigger impact in the chess world.

A joint venture between Tech Mahindra and FIDE, the GCL will witness six teams competing in a minimum of 10 matches each in a double round-robin format competing in the rapid chess format. The first-ever league-styled chess tournament is set to take place between June 21st, to July 2nd, in Dubai.

"It's quite an interesting one to have a league with mixed teams of men, women and junior players. Apart from that, having a corporate like Tech Mahindra will definitely have a bigger impact in the chess world. This is one of the bigger reasons for us to take part in this event. This league will be an inspiration for organisers all over the world," Humpy said.

The 2021 BBC Indian Sportswoman of the Year, Humpy is best known for her win at the 2019 FIDE Rapid Chess Championship and will be looking to make a mark

once again by playing in the GCL.

"This is the first time an Indian corporate is coming forward to organising a Chess league. Chess is changing now, and the organisers are trying to make it more spectacular to attract more audience. We also enjoy shorter time formats in a fun way, which will be more entertaining for the audience," she said.

Humpy, who won the World Rapid Chess Championship in 2020 started her career when she was just six years old after being introduced to the sport by her father. The 36-year-old won her first medal, becoming the national chess champion in the Under-10 category in 1997.

"I started when I was six years old. As a player, I can testify that Chess is constantly being evolved in India. We have plenty of Grandmasters now from the country and we are the fastest-growing country in chess at the time," Humpy said. The two-time Asian Games Gold-medallist stunned the world when she earned the Grandmaster title at the age of 15 years in 2002, becoming the then-youngest player to achieve the title.

Formula 1: Verstappen beats Alonso to win Monaco GP

AGENCIES
MONACO, 29 MAY

Dutch driver Max Verstappen kept Red Bull's 2023 winning record intact by finishing ahead of Fernando Alonso of Aston Martin and Esteban Ocon of Alpine in a chaotic finish caused by rain shower in the Monaco Grand Prix on Sunday.

Defending Drivers' champion Verstappen made a clean getaway when the race began to maintain his pole position advantage over Alonso into the first corner on the street circuit.

But as the race developed and the planned one-and-only stops approached, a rain shower hit the track to turn the encounter on its head, causing a flurry of off-track excursions, brushes with the barriers and pit lane activity.

Alonso pitted while only a portion of the track was damp and initially took on mediums, but intensifying rainfall meant he was forced back in for intermediates, which the rest of the field clambered for as well.

Verstappen then survived a contact with the wall before pitting, got back into a rhythm in the mixed conditions and controlled proceedings to the chequered flag.

Despite that extra stop, Alonso had enough in hand to retain second position and score Aston Martin's best result of the season so far, with Ocon converting his eye-catching qualifying performance into the final podium spot.

Mercedes' updated W14s racked up a solid haul of points as Lewis Hamilton and George Russell took fourth and fifth positions, respectively, the

Norris in qualifying, followed by the other Alpine of Pierre Gasly and Ferrari teammate Carlos Sainz.

Just as the dust was settling on a frenetic qualifying hour around Monaco's tight and twisty streets, the stewards dropped a communication that would see Leclerc fall from third on the grid to sixth

position for his home race, having impeded Norris in the Q3 phase. Ocon, his teammate Sainz and Hamilton all gladly accepted a gained grid spot at a venue where track position is vital.

But all eyes were on the front row of the grid and whether Verstappen or Alonso would make the better start.

PL season ends with Leeds, Leicester in relegation zone

AGENCIES
LONDON, 29 MAY

On the final day of the Premier League 2022/23 season, Leeds United and Leicester City fell from grace as both teams along with Southampton were relegated from the PL on Sunday. Leicester City stayed outside of the relegation zone for majority of the time period as Everton struggled to find a breakthrough. However, Abdoulaye Doucoure's 57th-minute goal took the Toffees out of the danger zone at the cost of Leicester. They managed hung on to their lead till the final minute of the game and secured their 70th consecutive season of top-flight football. After ensuring their

survival, Everton's Conor Coady described it as the hardest season of his life.

"Relief. It's becoming a bit of a thing, we don't want to make it a thing, we need to improve and reset. It's been the hardest season of my life, and finally, we're there now. A lot of relief. We had a plan, we were focusing on ourselves. I actually thought we played really well considering the circumstances. You don't want to be part of this giant of a football club going down. We reiterated that all season. We're not, but now what we've got to do is not make this a common theme. This club has to rise and get better now," Conor Coady said after the match as quoted by Premier League.

BrahMos misfire cost India ₹24cr: Govt in HC

Richa Banka
Richa.Banka@htlive.com

NEW DELHI: The accidental firing of a BrahMos combat missile into Pakistan in March last year affected the relations of the nation with the neighbouring country and led to a loss of ₹24 crore to the state exchequer, the Union government told the Delhi high court while justifying the dismissal of three IAF (Indian Air Force) officers, including a Wing Commander, for gross negligence.

Opposing a petition by Wing Commander Abhinav Sharma against his termination from service, the Centre in a short affidavit said the trial of three officers by a court martial was “inexpedient”, especially considering the sensitive nature of evidence on record and “also the fact that the international community was interested to know the important practical details regarding the firing of missile”.

“Considering the sensitive nature of the subject matter having widespread ramifications for the security of the State, a conscious and considered decision was taken in good faith to terminate the service of the petitioner under the President’s pleasure clause. Such a decision has been taken in the Indian Air Force after 23 years as facts and cir-

OPPOSING A PLEA BY AN OFFICER AGAINST HIS TERMINATION, THE CENTRE SAID THE TRIAL OF THREE OFFICERS BY A COURT MARTIAL WAS ‘INEXPEDIENT’

cumstances of the case warranted such action,” the Union government said.

The petitioner Wing Commander Sharma challenged the termination order issued against him under section 18 of Air Force Act, 1950. He was posted as an engineering officer when the incident occurred.

In his petition filed through advocate Jaitegan Singh, the IAF officer contended that he was imparted professional and practical training only for duties which are purely of maintenance in nature and not on conduct of operations. He said he performed all his duties as per the Combat SOP governing the operations and that the cause of the incident was solely operational in nature. Defending its decision of terminating the officers, the Centre said that the decision was actuated by public interest without any kind of mala fide, adding

that the petitioner was provided all due opportunities during the proceedings of the Court of Inquiry to present his case and he was given great latitude in this regard.

The Centre said that the decision to terminate the service of the petitioner was objective, just & required due to the peculiar nature of the subject matter. It said that besides causing potential threat to any airborne/ground object/personnel and also causing damage to the reputation of the IAF and the nation at large, the government exchequer lost money in the accidental firing.

“It is indeed ironic that the petitioner has attempted to shift his blame to other officers knowing fully well that his failures contributed significantly to the launch of the missile,” the reply said. The Centre said it would not discuss the evidence on record in its reply as it will have an adverse impact on the security of the State. It, however, added that the proceedings of the Court of Inquiry will be shown to the court to duly establish the lapses of the petitioner.

The matter will be heard on Tuesday. On March 9 last year, India accidentally fired a BrahMos missile into Pakistan, with human error causing the unprecedented incident.

HC notice to Yasin Malik as NIA demands death penalty in terror case

Richa Banka
letters@hindustantimes.com

NEW DELHI: Delhi high court on Monday directed Jammu and Kashmir Liberation Front chief Yasin Malik, who is currently serving life imprisonment in Tihar jail, to respond to the National Investigation Agency’s plea seeking death penalty for him in a terror funding case.

Solicitor general Tushar Mehta, appearing for the federal agency, has sought death penalty for Malik, stressing that the crimes he committed fall within the definition of the rarest of the rare that merit death. Mehta compared Malik to Al-Qaeda’s Osama bin Laden. The bench comprising justices Siddharth Mridul and Talwant Singh issued a notice to Malik but disapproved of the comparison with Laden.

“There could be no comparison between the two because Laden did not face a trial in a court of law,” justice Mridul said.

Laden was shot dead by US special forces in a fortified compound near Pakistani capital Islamabad in May 2011. The bench also ordered the Tihar jail authorities to produce Malik before court during next hearing on August 9.

A special Delhi court sentenced Malik to life imprisonment on May 25, 2022, for waging a war

Yasin Malik

against the state after he pleaded guilty in a terror funding case. The court on Monday said it was Malik’s constitutional right to plead guilty. NIA special judge Praveen Singh had held that Malik’s crimes struck at the heart of the idea of India, but blocked the investigative agency’s plea for death penalty. “I find that as this issue (genocide) is neither before this court, nor has been adjudicated upon and thus the court cannot allow itself to be swayed by this argument,” the trial court had said in its 20-page verdict.

Mehta on Monday said not awarding the death penalty just because Malik pled guilty will erode faith in the justice delivery system. “If this is not the rarest of rare crime, then I question myself what would be? If the death penalty is not given, then tomorrow all terrorists would come, plead guilty and avoid the death sentence,” Mehta said.

1 yr on, fight for justice continues: Moosewala’s parents

Sidhu Moosewala’s followers carry out a candle march on his first death anniversary, in Moosa village on Monday.

MOOSA (MANS): Remembering slain Punjabi singer-politician Sidhu Moosewala on his first death anniversary on Monday, his parents said their fight for justice will continue until the “real killers” are arrested and slammed the state government for attempts being made to “defame” their son by “linking him with gangsters”.

Shubhdeep Singh Sidhu, popularly known as Sidhu Moosewala, was killed on May 29 last year when he, along with his two friends, was travelling in a jeep

to Jawahar Ke village in Mansa. Gangster Goldy Brar, a member of the Lawrence Bishnoi gang, had claimed responsibility for the murder. According to the charge sheet filed in the case, Brar was the mastermind behind the killing.

On Monday, a candle march was taken out on his first death anniversary in Moosa village, which was attended by hundreds of his supporters and family members.

A “path” (prayer) and a blood donation camp were also organised in Moosa village. Moosewala’s mother Charan Kaur broke into tears when she visited the

place where her son was cremated, which has been converted into a memorial with a statue of the slain singer.

“It has been a year, but the government has failed to give justice. Nothing has been done by the police on the names given by us. They are roaming freely,” Kaur said. “The Bhagwant Mann government has failed to give justice to a man who made Punjab proud globally.”

Moosewala’s father Balkaur Singh, who attended events organised to pay tribute to his son in the United Kingdom, issued a video message thanking people for their support.

- The above unaudited Financial Results of the Company have been prepared in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time.
- Figures for the quarter ended 31st March, 2023 and 31st March, 2022 represents the derived figures between audited figures in respect of the full relevant Financial Year and the unaudited published year to date figures upto 31st December being the date of the end of the third quarter of the relevant Financial Year which were subjected to limited review by the statutory auditors of the Company.
- Railway Board wide Commercial Circular no. CC60 of 2019 has increased the catering tariff for post and pre-paid trains. However, the effect of enhancement of License Fee for the periods from 18.11.2019 to 22.03.2020 (for post paid trains) and 27.11.2021 to 31.12.2022 (for post and pre-paid trains) on account of increase in catering tariff as per the CC-60 of 2019 issued by the Railway Board, has not been ascertained & recognized. After the resumption of regular trains services, company has started the process of sales assessment during the year 2022-23 and sales assessment has been completed for all pre-paid trains and of peak season for post-paid trains. The sales assessments for lean season in case of post paid trains are still under finalization. Further, company has started to raise demand notices for increased License fee for pre-paid trains but some of the licensees have challenged company's decision of increased License fees in Hon'ble High Court of Mumbai. As the matter is sub-judice and there is an uncertainty and occurrence is dependent on outcome of certain event in future, hence the impact of increase in License fees for pre-paid trains has not been recognized in the financial statement for the financial year 2022-23.
- The company has recognised Railway Share amounting to ₹ 546.60 Lakhs. @ 15% of profit of Rail Neer Segment for the financial year 2022-23. No provision was made for the Financial Year 2021-22 in view of the loss incurred in Railneer segment after considering above payment of ₹ 2713.32 lakhs as expense for that year. These matters/amounts are subject to confirmation and reconciliation with Railways.
- As per the terms and conditions of the tender, in respect of 4 PPP Railneer plants, the Developer cum Operator (DCOs) are to be reimbursed the GST on sales net of Input Tax Credit (ITC) availed by them. The impact for the same amounting ₹ 442.46 lakhs has been accounted for in Financial Year 2022-23 except for the two plants. In the previous year 2021-22 the impact of ₹ 309.28 lakhs was accounted except for one plant. Further, due to non-availability of figures of ITC claimed by respective DCOs of 02 plants for the entire financial year 2022-23 and 01 plant for the month of March 2023, the same could not be estimated and accounted in the respective quarters and these DCOs have represented against the claim of IRCTC for Input Tax Credit. The Company intends to take opinion on this matter from Ex-Additional Solicitor General (ASG) of India and necessary decision will be taken accordingly after the receipt of the final opinion.
- The National Anti Profiteering Authority (NAA) issued notice dated 25.02.2022 for profiteering amount of ₹ 5041.44 Lakhs under section 171 of the CGST Act, 2017 for not passing the benefit of tax reduction to consumers. The matter has been referred to the Railways for their instructions on the matter as the main liability in this matter would be of Railways and the Company has the right to recovery from Railways in case ultimately it is made liable to pay. The Company has filed objections against Arbitration award and same was listed before Honorable High Court of Delhi on 28.09.2022. BHATTI WARNS CM AGAINST USURPING LANDS OF POOR

DC CORRESPONDENT
HYDERABAD, MAY 29

Congress Legislature Party (CLP) leader Mallu Bhatti Vikramarka warned Chief Minister K. Chandrababhan Naidu against forcible acquisition of land given to the poor by the previous Congress governments. "We will restore the lands taken by your government back to the poor in accordance with law," he said, after hoisting the party flag as part of his padayatra at Gaggalipalli village in Nagarkurnool constituency on Monday.

Addressing a street corner meeting in the village, along with Mallu Ravi, he said that it was wicked on the part of the BRS government to block 200 acres of land from Dalits and tribals in Survey No. 183 of the village under Dharani. "Better be wary of coming anywhere near the lands," he warned the state government.

Disclosing that he embarked on the padayatra from Adilabad to ensure justice for the people of Telangana state, Bhatti Vikramarka said that the state's riches have been looted by BRS leaders. Recalling the welfare-oriented administration of the Congress government, he said that nine essential commodities used to be distributed through fair price shops, whereas the BRS government was giving only rice.

Does not the local MLA have the responsibility to provide irrigation facility to farmers in his constituency by completing the canals, he asked.

TPCC SLAMS HARISH FOR ANTI CONG REMARKS

DC CORRESPONDENT
HYDERABAD, MAY 29

Taking exception to the remarks of finance minister T. Harish Rao that the Congress was reluctant to celebrate the Telangana Formation Day on June 2, senior vice-president of TPCC G. Niranjan said that as false propaganda aimed at misleading the people.

"We have planned major celebrations across the state during our 20-day programme we will expose the inept BRS administration and how they have been cheating people from all walks of life in the last nine years. Congress leaders played an active role in the 1969 agitation. It was Congress leader D. Sridhar Babu, who ensured that the resolution to ensure legislation for a separate Telangana state was moved despite hurdles created by then chief minister N. Kiran Kumar Reddy," he said.

Niranjan said that Harish Rao was getting frustrated at the popularity of the Congress, which was why he was maligning the image of the party.

JAGADISH: CONG, BJP HAVE NO RIGHT TO CELEBRATE

DC CORRESPONDENT
HYDERABAD, MAY 29

Energy Minister G. Jagadish Reddy on Monday said that the BJP and the Congress have no right to celebrate the Tenth Formation Day of Telangana state on June 2.

The minister alleged that Telangana Pradesh Congress Committee (TPCC) Chief A. Revanth Reddy when he was in the Telugu Desam Party had warned the people fighting for a separate state to kill him.

"Revanth Reddy is now speaking about the formation day celebrations. During the separate statehood movement, he was associated with Andhra political leaders and tried to prevent the movement," he said.

The minister set a foundation stone for constructing roads worth 99 crore at Ramannapet Mandal in Narekhal.

Speaking on the occasion, Jagadish Reddy alleged that the TPCC chief purchased the post.

Similarly, Prime Minister Narendra Modi also neglected Telangana state in terms of providing funds.

BJP trails Cong. in efforts to woo Ponguleti, Jupally

Reports emerge that both leaders decided to join Cong.

BALU PULIPAKA | DC
HYDERABAD, MAY 29

Efforts to encourage former BRS MP Ponguleti Srinivas Reddy and former BRS MLA Jupally Krishna Rao to join the BJP appear to have come to naught, with BJP sources indicating that the two leaders have made up their minds on staying away from the party.

It may be recalled that the BJP's joinings committee, headed by Huzurabad MLA and senior party leader Elita Rajendar, had been making efforts to persuade both Srinivas Reddy and Krishna Rao to join the party.

When asked if the two former BRS leaders have said they will not join the BJP, Rajendar did not

Ponguleti Srinivas Reddy

comment, but said the two leaders will take their decision whenever they are ready. Srinivas Reddy and Krishna Rao, who have sizeable followings in erstwhile undivided Khammam and Mahbubnagar districts, respectively, may seem to be out of the BJP's reach, but so far, the saffron party's efforts have kept

Jupally Krishna Rao

them from joining the Congress, buying time for the BJP to possibly mount a last-ditch effort to woo them in the next few days. Meanwhile, reports that emerged from the Congress camp on Monday indicated that both leaders have made up their minds to join the Congress ranks. A senior Congress

leader said that as per his information, Srinivas Reddy and Krishna Rao have made up their mind to join the Congress, but a formal decision was being awaited.

Even as the reports did the rounds on the day, neither Srinivas Reddy nor Krishna Rao spoke about their plans.

Sources in the state BJP also said that there appear to be attempts from within to sabotage any effort to strengthen the party in Telangana state. They pointed to comments from an unnamed senior BJP leader in Delhi recently, which were reported in a section of the media, that BJP had no future in Telangana state and that it would end this year's Assembly elections in third place.

Owaisi: BRS should have done more for minorities

PILLALAMARRI SRINIVAS | DC
ADILABAD, MAY 29

AIMIM president and Hyderabad Adil Sabha Asmududdin Owaisi spoke to *Deccan Chronicle* on a wide range of topical issues, including about BRS. He contends that the BRS should have done more in terms of development and uplift of minorities and backward communities in the last nine years.

Excerpts:

Q How do you view the prevailing political situation at the state and national levels?

As far as Telangana state is concerned, as a political party we believe that BRS should have done more for minorities and BCs. Overall, the state has been peaceful and has not seen communal riots, which is a good augury. At the national level, the BJP has disturbed the social fabric of the country and we have seen the unilateral handing of draconian laws like CAA, farmers' bill, removal of Article 370 and triple talaq. They mismanaged the country's economy, inflation is rising and so are prices of essential commodities and the unemployment rate. Farmers are fuming at the BJP.

Q How do you look at the Congress victory in Karnataka? Is it a fight against the divisive forces or vote for democratic values?

There was huge corruption in the BJP government, which led to the defeat of the party. The real test for everyone would be in the ensuing Lo Sabha elections.

Q Will the MIM be extending support to the BRS in Maharashtra?

No such talk has ever happened between us. The MIM has been working in Maharashtra for a long time. Apart from an MP, the MIM has over 100 corporators and as many members in zilla

Q In the next Assembly elections, will the MIM be contesting in seats outside of Hyderabad?

It is yet to be decided as of now. A decision will

parishad and mandal parishad. I don't know why will happen during the parliamentary elections. Every political party has the right to expand. It is for them to decide, I can't decide on that.

Q Do you think a single party will come to power or do you foresee a hung verdict in Telangana?

It is for the people of Telangana to decide which sort of government they want. Our only concern is that whichever seat we contest, the MIM candidate should win.

Q In the next Assembly elections, will the MIM be contesting in seats outside of Hyderabad?

It is yet to be decided as of now. A decision will

be taken after consulting party leaders. I'm touring different places. Our decisions will be based on the feedback about our strengths and weaknesses from the party workers and leaders.

Q Are you happy with the BRS government with regard to the welfare of minorities?

Happy is a subjective term. I do not use such terms. People who are in that party use them. Any government is duty-bound to uplift all sections of the society. Funds allocated for their welfare should not be cut down. There is no single Muslim vice-chancellor and no in the Telangana State Public Service Commission, which we have been demanding since long.

TS MADE GIANT STRIDES IN AGRI: NIRANJAN

After the resumption of regular trains services, the Railway Board has started the process of sales demand notices for increased License fee for pre-paid trains but some of the licensees have challenged the company's decision of increased License fees in Hon'ble High Court of Mumbai. As the matter is sub-judice and there is an uncertainty and occurrence is dependent on outcome of certain events in future, hence the impact of increase in License fees for pre-paid trains has been recognized in the financial statement for the financial year 2022-23.

In the previous year 2021-22 the impact of ₹ 309.38 lakhs was accounted except for one plant. Due to non-availability of figures of ITC claimed by respective DOCOs (2 of plants to the entire financial year 2022-23 and 1 plant for the month of March 2023), the same could not be estimated and recorded in the respective quarters and these DOCOs have represented against the claim of ITC for Input Tax Credit. RABINDRA NATH CHOUDHURY
BHOPAL, MAY 29

A thunderstorm accompanied by gale wind reaching a speed of 65 km per hour hit Madhya Pradesh's Ujjain on Sunday evening, causing damages to half-a-dozen idols in Mahakal corridor; thrown open to public in October last year.

Six of seven "Saptarshi" statues in the Mahakal corridor; developed in the premises of the ancient Mahakaleshwar shrine, got dismantled off their bases when the twister hit the city on Sunday.

The thunder storm had also caused the death of

two people in the city.

The Mahakal corridor, showcasing the Hindu mythology and spirituality, was dedicated to the nation by Prime Minister Narendra Modi in October last year.

The site has now turned one of the key hotspots of religious tourism in the state with around one lakh people visiting the corridor every day.

The revenue of the Mahakaleshwar shrine, home to one of 12 Jyotirlingas, has increased manifold following the development of Mahakal corridor.

7 engineering students die in road accident in Assam

CM Himanta Sarma expresses shock over 'loss of young and precious lives'

MANOJ ANAND
GUWAHATI, MAY 29

In a tragic road accident, at least seven students of Assam Engineering College died after an SUV in which they were travelling lost control and crashed into a goods-laden pick-up van in the Jalukbari area of Guwahati.

The accident took place at around 1 am on Monday, the police said. All seven of the victims were senior college students who resided in the college's hostel.

The police said that the seven bodies were extricated from the mangled remains of the vehicle. They had died on the spot. Three other students,

grievously injured, were rushed to the Guwahati Medical College Hospital (GMCH). The condition of one of them was said to be critical.

Pointing out that there were 10 students in the rented Scorpio, the police

said that one of the students — Kaushik Baruah — was driving the vehicle. Three others travelling in the goods-carrying van have also been admitted to the hospital.

The police suspects that the students were inebri-

ated and exceeding the speed limit when their vehicle crossed over the divider and hit a pick-up van coming from the opposite side of the road.

"Extremely anguished by the loss of young and precious lives in the road accident at Jalukbari. My deepest condolences to their parents and families. Have spoken to authorities at GMCH. All possible medical assistance is being provided to those injured," Assam chief minister Himanta Biswa Sarma said. He also asked the parents as well as college authorities to look into all the aspects of the incident and to ensure that such unfortunate and painful incidents are avoided in the future.

L-G says J&K touching new heights of development

YUSUF JAMEEL
SRINAGAR, MAY 29

Jammu and Kashmir lieutenant-governor Manoj Sinha on Monday asserted that the Union Territory is touching new heights of development and no power on earth can stop it and its people from marching forward.

"J&K is at a cusp in its development trajectory. We have broken fresh grounds to enable faster growth. We are now at a stage where we need to accelerate this growth, make it more inclusive and convert the UT's potential into reality," he said after inaugurating the Jammu Zoo at Nagrota on the outskirts of winter capital Jammu.

"With the successful conduct of the meeting of the G-20 working group on tourism in Srinagar, J&K has entered a new era of opportunities. It is a rare moment and the world is applauding J&K's saga of development. We must work together to keep pace with the rest of the states and contribute to the significant task of Viksit Bharat 2047," he added.

Mr Sinha said that like the Kashmir Valley, Jammu too was changing for the better and the Union territory as a whole is heading towards peace, progress and prosperity.

Amid violence, Amit Shah arrives in Manipur to try and bring peace

FROM PG 1

A defence spokesperson said a large number of Army troops were mobilised on Sunday night after intelligence inputs suggested that armed miscreants were venturing out to burn houses at Sanasabi, Gwalitabi and Shabunkhol Khunao in the hilly region of Imphal East district. The arms recovered from the miscreants include five 12 bore double-barrel rifles, three single-barrel rifles, one country-made weapon with double bore and one muzzled loaded weapon", the spokesperson said.

The latest clashes began after the Army and the paramilitary forces began combing operations to disarm communities in order to bring peace, the officials added.

Sources in the Army also said that three miscreants along with an

INSAS rifle with a magazine, 60 rounds of 5.56 mm ammunition, a Chinese hand grenade and a detonator were apprehended in the New Checkon area of Imphal East district on Sunday.

A car carrying the miscreants was spotted by the security personnel. On being stopped, the three miscreants got down from the car and attempted to flee. But they were nabbed by the troops on the ground. All three miscreants along with their weapons and ammunition were later handed over to the Manipur police, sources in the Army said.

Though, officials were tight-lipped on the sporadic incident of mob violence, sources said there were also reports of mobs looting all arms and ammunition from the armouries of 7 Manipur Rifles at

Khabeisoi, 2nd Manipur Rifles at Deulahlane and the 3rd India Reserve battalion at Thoubal.

Union minister of state for home Nityanand Rai who has been camping in Imphal since May 25, visited some districts and held a series of meetings with various CSOs, influential community leaders and people from different communities.

The officials also said drones, mine-protected vehicles, quick reaction teams have been mobilised to undertake large-scale civilian rescue operations.

The ethnic clashes, that have claimed more than 75 lives in Manipur, broke out after a Tribal Solidarity March was organised in the hill districts on May 3 to protest against the Meitei community's demand for Scheduled Tribe status.

The violence was preceded by ten-

sion over the eviction of Kuki villagers from the reserve forest land, leading to a series of smaller agitations. It is significant that at least 10 tribal MLAs belonging to the Chin-Kuki-Mizo-Zomi group in Manipur had demanded a separate administration for their region in the wake of the recent violent clashes between the Meiteis and tribals.

Of the 10 legislators, seven belong to the BJP, two from the Kuki People's Alliance (KPA) and one an Independent. The two KPA and the Independent MLAs were also part of the ruling NDA led by the BJP.

However, chief minister N. Biren Singh has already rejected the demand by the 10 MLAs for a separate administration for the Kuki-dominated districts of Manipur, saying that "the territorial integrity of Manipur will be protected".

Don't back AAP over ordinance, Delhi & Punjab units urge Cong

DC CORRESPONDENT
NEW DELHI, MAY 29

The Congress units of Punjab and Delhi have urged the party high command not to support the Aam Aadmi Party on the Delhi services ordinance issue. Congress chief Mallikarjun Kharge had convened a meeting of leaders from both states to seek their opinion. Former Congress president Rahul Gandhi was also present at the meetings. Sources say

Mr Gandhi is also against the idea of going with Mr Kejriwal. But senior leaders feel that ensuring Opposition unity is also important for the Congress.

Sources said that leaders said that on one hand the AAP government had begun a witch-hunt against Congress leaders in Punjab while at the Centre they want the support of the Congress. So the AAP should first decide whether it wants to fight against the

BJP or the Congress, and it cannot sail on two boats. The leaders added meeting Mr Kejriwal or not meeting him was not the issue, but there should be some clarity on the matter.

A majority of the leaders told the leadership to have no truck with Mr Kejriwal, calling him the "B-team" of the BJP and claiming that he harmed the Congress' interests not just in Delhi and Punjab but in other states as well.

The meeting comes in the wake of Mr Kejriwal requesting a meeting with Mr Kharge and Mr Gandhi to seek their support against an ordinance brought by the Centre, which effectively nullified a Supreme Court order that gave the Delhi government the power to transfer bureaucrats in the city. Mr Kharge has reportedly conveyed to Mr Kejriwal that he will take a call on the matter after having a word with the state party lead-

ers.

Former Punjab Congress chief Navjot Singh Sidhu said what transpired at the meeting was a secret and only the Congress president or Rahul Gandhi would divulge the details. He, however, said that India's Constitution is a sacred "granth" and he took inspiration from it. "But, I can say emphatically that the values of the Constitution are at its lowest ebb," he said.
