As per list attached

Sub: Two Packet System of Tendering – System Improvement

To bring more transparency in two packet system of tendering, Board (ME, FC) has decided as follows:

In case a bidder, after expiry of closing time of submission of bids, withdraws his offer or when bids are already opened does not extend validity of his offer after expiry of same or in case of EPC tenders does not submit physical documents like Power of Attorney/ Joint Bidding Agreement etc. required to be submitted before opening of bids; the technical bid of such bidder shall also be opened / evaluated by the tender committee. However, the financial bids of only technically qualified bidders (including bidder who has withdrawn his offer or has not extended validity of his offer after expiry of same or in case of EPC tenders has not submitted above documents, but otherwise technically qualifies) shall be opened.

Further, after opening of financial bids, in case tender committee is of the view that the tender would have been awarded to that technically qualified bidder had that bidder not withdrawn his offer / extended validity of his offer after expiry of the same / submitted above physical documents in case of EPC tenders, as the case may be; the tender should be discharged.

This issues with the concurrence of Finance Directorate of the Ministry of Railways.
